

Jennifer Guter – Consultant

Jennifer Guter | Media Consultant

“Success in graphic design means getting a definite and intentional response from your audience.”

Jennifer is a graphic artist who loves her job.

In her 20 years as a graphic artist, she has helped countless companies take their branding and message

from ordinary to outstanding. Her strengths include her intuitive sense – she is able to quickly grasp presence/image/branding goals, and target audience of her clients and help them communicate their core message by amplifying it visually.

The result – her clients enjoy an excellent conversion rate and ROI.
